Welcome to the Alternative Medicine Family Care Center. We are committed to providing you with a personalized health plan tailored to your needs. Please be aware that many factors must be considered in designing the appropriate health building program for you, because treating the whole person requires attention to ALL symptoms and conditions. Often, minor symptoms are clues to delicate biochemical or somatic imbalances. Therefore, please complete this questionnaire as carefully and thoroughly as possible. This is a confidential record of your medical history and will not be released to any person or agency without your authorization.
